"I love the special mom time that MOPS gives you. It always blesses my heart to hear that others have the same issues that I do. Growing spiritually is something I need help with everyday & MOPS gives me the strength to do that more."

- Tracy Fleck

"I have made wonderful friends, laughed harder than ever before, eaten terrific food and learned that I am not alone in my trials and tribulations as a mother. My kids and I count the days until it's time for the next MOPS meeting."

- Stephanie Brunner

"MOPS has provided me with a much needed "grown-up" time every couple of weeks. Fellowship with other moms has been edifying. It has provided me with the opportunity to discuss spiritual challenges as a mom."

- Deb Woehr

"MOPS is a breath of fresh air that restores my spirit and enables me to make it though another week."

- Julie Plake

MOPS stands for Mothers of Preschoolers, a program designed to nurture mothers with children from infancy through kindergarten.

Moms need moms. They need to know they are not alone—that there are other mothers facing challenges, loneliness, and heartfelt desire to be the best mom they can possibly be.
