I really liked these stories. Anita does a great job as a one-woman show in telling the stories of these women in the Bible and connecting them with our stories.

Things I didn't enjoy:

Would you recommend this resource? Why or why not?

I would recommend this resource for women.

What was the most important thing you learned?

How pertinent these stories are to life today and how dear the stories and lessons become when they point to God's faithfulness, love, and mercy.

Is there anything else you would like to share?

I (Sally Bias) have copies of these DVDs that you can borrow any time. I think they are also available in the ZPC Library.
